“Som Skills Academy – From Skills to Success”

”

ABOUT THE CENTER

Som Skills Academy is a professional and development hub that provides modern trainings and courses in E-Commerce, ICT, Health, Education, and Business & Leadership Skills.

Our goal is to build a community equipped with skills and knowledge to benefit from both local and global opportunities, guided by innovation, learning, and a brighter future.

We are not just an academy – we are a community of learners, innovators, and change-makers committed to excellence and growth.

”

OUR MISSION

To equip youth and professionals with practical and valuable skills, enabling them to achieve personal, economic, and social growth. We strive to make knowledge meaningful by turning it into opportunity.

OUR VISSION

To be recognized as the leading center for skills development and lifelong learning in the region – guiding youth and society towards innovation, opportunity, and sustainable progress.

OUR SERVICES

At Som Skills Academy, our programs are designed to match the needs of a modern workforce, combining theory, practice, and mentorship.

OUR CORE VALUES

At Som Skills Academy, our values are the foundation of who we are. They guide our teaching, our partnerships, and the way we empower communities.

Success doesn't come by chance, it comes by skills, effort, and consistency. Learn today, lead tomorrow.
